What Career are you in, and what sort of things does this entail?

Travel

Finding and booking people's holidays and all the in-between bits that go with it

What inspired you to go into your chosen career?

I like talking, and what better way to do what i enjoy 😊

What advice would you give to anyone interested in working in your career area?

Get an apprenticeship, colleges will tell you that you need an NVQ in travel and tourism to work in the travel industry, you don't. An apprenticeship enables you to learn on the job

What I actually wanted to be when I was older
