

Joshua Maunder, 2011

What Career are you in, and what sort of things does this entail?

Project management team lead at one of the largest LSPs in the world. I manage a team of project managers and we handle life sciences translation projects for a range of clients.

What inspired you to go into your chosen career?

Studying languages with the various teachers Malbank employed during my time there

What advice would you give to anyone interested in working in your career area?

Work hard and put 100% effort into your studies and you can reach whatever goal you set yourself.

What do you know now, that you wish you'd known when you were leaving Malbank?

That a career in languages doesn't just mean translation.
