What Career are you in, and what sort of things does this entail?

I am a Partnerships Fundraiser at Mid Cheshire Hospitals Charity. I support people who fundraise, organise events and engage in lots of way with the Cheshire Community.

What inspired you to go into your chosen career?

I was guided to the Hospitality/Events industry by the Careers advice at Malbank School and started with a Graduate scheme after A levels and a HND.

What advice would you give to anyone interested in working in your career area?

Get some experience as soon as you can in the sector. Volunteering for a charity also looks good on your CV and something to talk about at interviews.

What do you know now, that you wish you'd known when you were leaving Malbank?

Talking to people in any sector of business gives you a useful insight into the world of work and might help you look at areas you hadn't already thought of.
