

Clare Higginson, 1997

What Career are you in, and what sort of things does this entail?

Senior Sister on Critical Care (nursing)

What inspired you to go into your chosen career?

Always wanted to be a nurse (sorry no Malbank link)

What advice would you give to anyone interested in working in your career area?

Don't do it - only joking but they have to bear in mind it's long hours, working Christmas and new year, weekends - missing out of things, but also incredibly rewarding and I love it

What do you know now, that you wish you'd known when you were leaving Malbank?

To enjoy high school, but also revise and study hard as it makes things a lot easier and gives more options for the future
