

Schools SFVS requirements

The schools financial value standard (SFVS) helps to provide schools with assurance that they are meeting the basic standards necessary to achieve a good level of financial health and resource management.

The SFVS checklist asks a number of questions of governing bodies in six areas of resource management to provide assurance that the school is managing its resources effectively. This can be used to identify possible areas for change to ensure that resources are being used to support high-quality teaching and the best education outcomes for pupils.

The checklist was formerly part of a tool that also contained a dashboard. This is now available on the schools financial benchmarking website. It shows how a school's data compares to thresholds on a range of statistics that have been identified as indicators for good resource management and outcomes. To look at how we compare to other schools please visit:

<https://schools-financial-benchmarking.service.gov.uk/>

The number of employees whose benefits exceeded £100k in the 2022/2023 year were:

Band £100k to £120k 1

Band £120k to £140 k 0

Band £140k to £160k 0

All information about governors including any declaration of interests and committee membership can be found on our website.

The school has achieved good in the SFVS for 2023/2024.
