

- At Malbank we will develop an understanding of the prehistory and development of religion through the ages and discover some of the common features of the religions. We will compare the different features of the main religions and find out how religions spread throughout the world. Finally, we will evaluate the importance of religion in the modern world.

Prior Knowledge	Current	Future
<p>Pupils should have:</p> <ul style="list-style-type: none"> - Some basic knowledge of the different world religions (gleaned from the RS they will have studied in primary school) 	<p>HEAD - Knowledge</p>	<p>Pupils should go on to:</p> <ul style="list-style-type: none"> - Examine the core beliefs of Christianity - Assess the importance of Jesus Christ within the Christian narrative - Consider the role of Christians within the wider community in the UK
	 <ul style="list-style-type: none"> - To know how religion developed - To know how religious populations are distributed in the world - To know the Seven Dimensions of Religion - To know some facts about religion in the world today 	
	<p>HEART - Personal Development</p>	
 <ul style="list-style-type: none"> - To understand how religion is linked to the development of human societies - To understand how the major religions of the world developed - To understand what religions have in common - To understand the importance of religion in the world today 		
<p>HAND - Skills</p>	 <ul style="list-style-type: none"> - To consider the truth of religions - To interpret information about the major world faiths - To be able to give examples of what religions have in common - To assess the impact of religion in the world
