

Malbank School & Sixth Form College

Rejoice in being the best that we can be.

Dear Parents and Guardians,

We hope this email finds you well.

This **timeline on the reverse of this letter** shows the progression of GCSE exams throughout Year 10 and Year 11, with mock exams and final exams taking place at specific points. It also highlights the terms and breaks throughout the academic year. I have also attached on **page 3** of this letter the resources and video presentation from the Year 10 Information Evening we held last year, which you may find useful in this first half-term.

As you know, communication is a top priority for us at Malbank School. We have been working hard to provide you with the information and resources you need to support your child's GCSE journey.

We have shared a lot of information through emails, online videos, and face-to-face information evenings. We have covered topics such as exam preparation, coursework deadlines, and revision strategies.

We would love to hear your feedback. Do you feel you have all the information you need? Would you like to attend more information evenings, or perhaps receive more targeted guidance from specific departments?

Please let us know if there is anything specific, you'd like to discuss. Your input is invaluable as we continue to improve our support for our students and their families.

Please take a few minutes to complete this short survey. Your feedback will help us tailor our support services to better meet your child's needs. The survey will be open till the 1st October.

I would also like to take this opportunity to inform you about an upcoming Parents' Evening that will be held on **Thursday 12th December**. This is a valuable opportunity for you to meet with your child's teachers and discuss their progress and well-being. Further information about booking appointments will be released closer to the time.

Please find further information on page 2 and 3 of this letter.

Yours Sincerely,

Mr Reed
