CHAMPIONSHIP
WEEK 8

HOUSE EVENTS

Next up – 'Shoot the Hoops'
Tuesday 26th November
Lunchtime in the Sports Ha

Each House will have their own hoop to score as many baskets as possible in 45 minutes.
We need lots of competitors to keep each House hoop rolling! Staff welcome too!!!
House Points awarded per baskets and number of entrants

Let's start with a short quiz. These women have worked in computing and there's a clue about what each woman did. Can you name these women?

Go to this form and answer these questions.

<https://forms.office.com/e/A72kNwVQ28>

Correct 6 answers will receive a house star and a sweet from room Z6 – Mrs Austin 😊

The House competition supports: Women in Computing

Pioneered the use of computers for space missions.

Taught computers to understand human language.

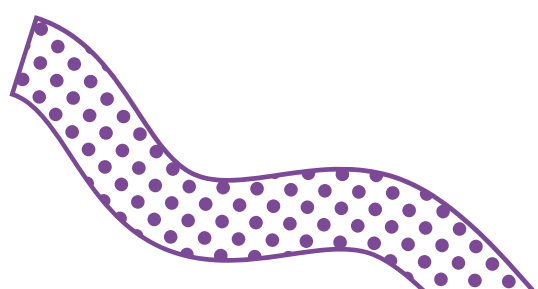

Started a well known online travel company.

The world's first computer programmer.

Invented techniques that are used in Bluetooth today.

Responsible for designing data systems for NASA as well as the illusion transmitter - an early form of 3D image technology.

House points available for your participation in this exciting new code club...
